
Adult Classes

Open to adults of all skill levels and backgrounds. Learn a new artistic skill or technique in a fun and relaxing environment.

WATERCOLOR CLASS This class is designed to teach basic brush techniques, color mixing, and special effects and allow students to experiment using different paper surfaces. Learn how to create mood, reflections & many other watercolor effects.

OIL PAINTING CLASS This class is designed to teach basic Landscape painting techniques. Students will meet once per week to learn tips and tricks for sky, mist, trees, water reflections, color blending, texture, contrast and depth perspective. By the end of the class students will walk away with a masterpiece of their own!

ACRYLIC PAINTING CLASS Try something new, or wanting to dust off the old brushes and paints? Learn basic acrylic painting techniques, color theory, color blending, mixing, shading, tinting, and layering.

CREATIVE ART JOURNALING & CALLIGRAPHY INSTRUCTION

Construct your own sketchbook in class and then fill it with art, quotes, song lyrics & more. Express yourself using ink, watercolor, printmaking, and expressive lettering.

Art Classes @ The MACC

Monthaven Arts and Cultural Center

Join us at the MACC for art classes for all ages. The MACC has a variety of year round art classes and programs available. Children and adults of all ages enjoy classes from watercolors to anime and clay sculpting, taught by local professionals. From adult classes to mommy and me to art-after-school programs, at the MACC, you can truly find something for everyone!

Kid's Classes

Art Classes at The MACC

Our creative and fun classes will teach new techniques using a variety of mediums, while improving artistic skill and ability. Open to all skill levels and backgrounds, students will enjoy hands on art making experiences and learn new approaches to art in a fun and relaxing environment.

At The MACC, we offer a wide variety of classes for children- from Mommy and Me to Home School Students, After School Programs to Summer Camps-there's something for everyone!

MIX IT UP MEDIA! Student's will be exposed to many different art styles and get an opportunity to create works in a variety of different art mediums including painting, printmaking, drawing, clay, wire sculpture and more!

SILLY SCULPTURE Children will get their hands dirty as they paint, trim and sculpt a masterpiece. They will explore multiple art mediums related to sculpture such as celluclay, wire, mold making and much more.

CREATIVE ART JOURNALING Back by popular demand! Build your own sketchbook and fill it with beautiful imagery, quotes, thoughts, song lyrics and sketches. Express yourself with techniques like pen and ink drawing, watercolor, printmaking, and lettering.

BEGINNER ANIME & INTERMEDIATE ANIME Students will learn the techniques of professional anime illustration such as shading, perspective, figure drawing, and proportion while gaining experience using the highest quality markers, pens, and inks used in the industry.

DRAWING BASICS A fundamental key to becoming a better artist is by developing strong roots in drawing. Compositional layout, value, line quality, and perspective are just a few of the skills gained from attending this class.

COMICS AND SEQUENTIAL ART Students will learn about how to communicate their ideas visually, create a storyboard, and framing. They will also learn many fundamental drawing and ink techniques while doing what they love!

MYTHICAL CREATURES & CHARACTER DESIGN Students will use their imagination to design fantastical creatures, and learn how to recreate animals and characters from their video games, books, TV and movies, while at the same time learning the fundamentals of art.

CREATIVITY MEETS THE TABLET: Intro To Digital Art Using their mobile device to create art will not only give students a portable canvas and sketchbook, they will also learn to use their devices creatively and have all different artistic mediums at their fingertips. No clean up necessary!! Students can bring the device they feel most comfortable using to create works of digital art.

JEWELRY & TEXTILE ART Has your child ever tossed around the idea of being a Fashion Designer? This class is for those out of the box thinkers, unique individuals and trend setters whose artistic expression can be seen in their fashion sense. Explore the world of textile art by creating up-cycled wearable art. Students will work with fabrics, paints, dyes, fibers and yarn.

About The MACC

Monthaven Arts and Cultural Center is a 501c3 non-profit organization. Our mission is to collect, preserve and interpret local and regional art and present exhibits of regional, national and international importance. History, arts, education and community will remain an ever present commitment to the Monthaven Arts and Culture Center. The MACC is just minutes north of downtown Nashville, TN.
